## 1. Introduction of Enhanced Long Lease Incentive Program

### A. Background

1. The Hong Kong Housing Society (“**HKHS**”) has implemented a program known as “Enhanced Long Lease Incentive Program” (the “**Program**”) in respect of The Tanner Hill under which the existing or prospective tenant of The Tanner Hill who intends to take a Long Lease of a residential unit in The Tanner Hill from HKHS may, subject to the approval of the HKHS, lease the said residential unit from HKHS for a fixed term of 24 months with an option to renew for another fixed term of 24 months before such tenant enters into a Long Lease agreement of the said residential unit with HKHS.

Upon expiration of the first lease agreement, subject to the tenant’s due performance and comply with all the stipulated terms and conditions in the first lease agreement and house rules & regulations, tenant can exercise an option to renew for a further term of 24-month fixed term by giving a written notice of his/her intention before the expiration of the lease. Upon the expiration of the second lease agreement, tenant shall consider converting to a Long Lease term. The HKHS may have priority to lease out the unit under the Long Lease term and has the sole and absolute right to decide on the renewal of the tenancy agreement.

### B. Key Features

1. The following persons are eligible to apply to HKHS for joining the Program:
  - (a) Long Lease Wait-listing Person (i.e., persons not being an existing tenant of the Development) (“**Wait-Listing Person**”);
  - (b) Existing Short Lease Tenant (“**SL Tenant**”); and
  - (c) Existing Long Lease Tenant (“**LL Tenant**”) who intends to change another residential unit in The Tanner Hill.
2. Upon HKHS’ approval of his/her application to join the Program:
  - (a) the successful applicant of the Program (the “**Program Tenant**”) shall sign a 24 months’ fixed term lease agreement with an option to renew for a further term of 24 months at renewal rental determined by HKHS solely (the “**Agreement**”), the Service

Agreement and other ancillary documents in respect of a residential unit (as selected by the Program Tenant and confirmed in the confirmation form issued by HKHS and signed by the Program Tenant (the “**Flat Confirmation**”)) (“**the said Unit**”) with HKHS; and

- (b) if the Program Tenant is a SL Tenant or a LL Tenant, the Program Tenant shall also sign an early termination letter (in such form and terms as prescribed by HKHS) with HKHS to terminate his/her existing lease agreement.
  - (c) Subject to the tenant’s due performance and comply with all the stipulated terms and conditions in the tenancy agreement and house rules & regulations, tenant can exercise the option to renew for a further term of 24-month fixed term at the rental determined and newly published by Hong Kong Housing Society. Tenant can provide a written notice of his/her intention to the landlord not less than 6 months before the expiration of the lease.
3. The Enhanced Long Lease Incentive Program will contain the following principal terms:
- (a) the Program Tenant shall lease the said Unit from HKHS for a fixed term of 24 months commencing on a date as specified in The Agreement (the “**Lease Commencement Date**”) provided that the Lease Commencement Date:
    - (i) must on or before 31 March 2027 (including last day) ; and

The expression “working day” means any day other than Saturday, Sunday, and a public holiday in Hong Kong.
  - (b) the Program Tenants shall have an option to renew this Lease Agreement for a further term of 24 months commencing immediately upon the expiration of the said term subject to the same terms and conditions (with necessary modifications) as herein contained save and except that:
    - (i) there shall be no further option of renewal;

- (ii) the renewal rental shall be determined by HKHS solely;
  - (c) the Program Tenant shall pay monthly rent at a fixed rate (the “**Rent**”) for the said Unit throughout the term of The Agreement;
  - (d) at any time during the term of The Agreement, the Program Tenant may elect to replace its Agreement by a long term lease terminable with life (i.e., a Long Lease) of the said Unit (the said replacement of the Lease Agreement d by a Long Lease is known as the “**Conversion**”), in which event:
    - (i) the Program Tenant shall comply with the procedures and requirements as prescribed by HKHS to effectuate the Conversion;
    - (ii) the Program Tenant shall enter into a Long Lease agreement, a conversion deed and other ancillary documents as prescribed by HKHS for the Conversion; and
    - (iii) the Agreement will be terminated upon the execution of the Long Lease Agreement; and
  - (e) the Program Tenant may terminate the program by giving at least 1-month prior written notice to HKHS, provided that if:
    - (i) the Program Tenant is:
      - 1) a Wait-Listing Person; or
      - 2) a Short Lease Tenant; or
      - 3) a Long Lease Tenant and he/she is not the existing tenant of the said Unit immediately before he/she enters into the Lease Agreement; and

4. The amount of the Entry Contribution (the “**Entry Contribution**”) payable by the Program Tenant under the Long Lease Agreement will be determined by HKHS by reference to:
- (a) the age of the Program Tenant (if the Program Tenant shall be two persons) the younger Program Tenant as at the submission date of the application form of the term of the Long Lease Agreement;

- 
- (b) the price level of the said units of The Tanner Hill for calculating the Entry Contribution payable for the said residential units as set out in the prevailing price list published by HKHS; and
    - (c) the terms and conditions of the Long Lease Agreement.
  5. The Program is only applicable to three specified unit types at The Tanner Hill, being studio units, 1-bedroom units (with storeroom) and 2-bedroom units (without storeroom).
  6. The Lease Agreement is an agreement offering an option to renew in the first agreement. If the Program Tenants wish to live in The Tanner Hill after the lease expiry of the second Lease Agreement, conversion to Long Lease is highly recommended. For any lease renewals of the Program, they are all subject to the HKHS's approval and discretion.
  7. If no Conversion is made during that term of the Agreement, the Program Tenant must move out from the said Unit and deliver up vacant possession of the said Unit to HKHS upon the termination of the Agreement.

To ensure that a tenant's financial commitment under the Lease Agreement and other related documents to HKHS will continue to be honoured notwithstanding that he/she has become mentally incapacitated, it is recommended that the tenant consider appointing an attorney to act in relation to his/her property and financial affairs by an enduring power of attorney ("EPOA") given under the Enduring Powers of Attorney Ordinance (Cap. 501). Where an EPOA is given, then such enduring power will not be revoked by any subsequent mental incapacity of the donor. Tenants of The Tanner Hill are welcome to obtain via The Tanner Hill Leasing Office a sample template of EPOA which takes into account the special context of The Tanner Hill for further adoption by his/her appointed attorney. If a tenant has become mentally incapacitated but HKHS is unaware of, or is unable to verify that there is in existence any prior, and enduring, arrangement made by him whereby the financial commitment of the tenant will continue to be taken care of by a third party, then HKHS will be guided by the prevailing laws and regulations of Hong Kong in considering what steps

should be taken. Currently, under the provisions of the Mental Health Ordinance (Cap.136), if a person shall be incapable, by reason of mental incapacity, of managing and administering his/her property and affairs, the Court may, on the application of any relative of such person or of the Director of Social Welfare, appoint a committee of the estate of such person to do all such things regarding the property and affairs of such person as the Court may order or direct.
